February 20, 2026

Dear Costa Catholic Academy Parents,

At Costa Catholic Academy, we work together as administration, faculty and staff, parents, and a parish community to develop young people who are grounded in their Catholic faith and academically prepared for the future. Every year, school leadership is faced with the difficult task of setting tuition for the upcoming school year.

This year's approximate 4% increase will help Costa meet projected rising operational costs; ensure that Costa will have the resources necessary to hire and retain high-quality teachers and staff who deliver outstanding Catholic education to our children; and keep the education we provide affordable to our parents. With this increase, we hope to maintain a financially viable institution.

PreSchool-8th grade registration for the 2026-2027 school year will begin on Monday, March 2, 2026.

Attached you will find the complete 2026-2027 tuition rates and fees schedule. Please review the rate document and submit your agreement to the contract terms when completing your child(ren)'s registration in FACTS. Please be reminded that your FACTS tuition account must be current in order to apply for tuition assistance. Any outstanding balances, including lunch, Aftercare, and service hours must be paid in full before registering for the 2026-2027 school year.

We thank you for your commitment to Catholic education, and realize that tuition costs require a great deal of personal sacrifice. We acknowledge Costa's success is due to the partnership of our families. We look forward to a new school year where our children can continue to grow in wisdom and God's love.

Sincerely,

Julie Hampton Purl
Lead Teacher/Manager of Administrative Operations
Costa Catholic Academy
