Dear Costa Families,

Our hearts are heavy after learning about this morning's tragic loss of life and property of one of our Galesburg families. Many teachers at Costa have asked how our school can be Jesus to this family. We have made the decision to have a casual day on Tuesday, October 1, at \$5 per student. Your monetary contribution and prayers will make a meaningful difference in the family's recovery.

Thank you, CCA, Costa families, and Knights of Columbus volunteers. Your service and donations made this year's Chicken Dinner a success! There were many compliments from members of our community, Galesburg Catholic parishioners, and Costa neighbors. Volunteers expressed their enjoyment of working in a positive atmosphere and gratitude for the camaraderie that was shared.

Chocolate milk will **not** be available in the cafeteria next week. Also, beginning on October 1, students will be charged for ordering extra entrees. Any additional purchases will appear in your FACTS account.

Some of our Costa Friars will be pictured in *The Burg* newspaper next week. Be on the lookout for your student athletes!

Students attending sporting events at the school should be actively watching the game they are attending. Of course, brief restroom breaks and snack purchases are acceptable. However, spending the majority of the game in the hallways without adult supervision is not acceptable.

Attached to this email is the information sheet of student health requirements for the State of Illinois. Please keep in mind, **students will NOT be able to attend school after October 15, 2024, until ALL required information is received.** If any required exams from the previous school year were not completed and submitted. If you have any questions, please contact Mrs. Olin as soon as possible.
