September 16, 2023

Dear Parents,

We have had a week filled with activity—a bus evacuation drill, school pictures, a fun drone photo, and Mass. Your children’s energy is inspiring and motivating for teachers and staff alike. We’re learning and having fun in the McAteer Center.

I have a few safety reminders. If you should choose to park on Tompkins Street, please refrain from blocking the parking lot entrance. Our school bus driver has made Costa aware that some drivers are blocking the parking lot which prevents the school bus from entering. Also keep in mind, no student(s) should cross the street when arriving or leaving school. We want to put forth our best effort to keep all of our students safe.

Thank you for doing your part to make Costa a peanut-free school. Your sacrifice is appreciated by parents and students alike.

A reminder for parents and guardians: On Mass days, students should not wear shorts to school. Thank you for your cooperation in this matter.

Wishing you a restful and relaxing weekend.

Respectfully,

Julie Hampton Purl
Lead Teacher/Manager of Administrative Operations
Costa Catholic Academy
